

We are going to play Taboo®. You are going to work in groups of two and create 40 cards over your assigned pages. You must use 3x5 cards to create the following

Your word here
1. clue one
2. clue two
3. clue 3
4. clue 4
5. clue 5

Create great clues so that the person who uses your card will find it very hard to give other clues sufficient enough to have others guess your word. In Taboo, the person giving the clues can not use any word (or form of the word) on your card—including the word itself obviously. When you have chosen a partner come up and sign up for some pages. Other rules:

1. No more than 2 words per clue
2. write legibly
3. once your partner says a part of the word, you may say that part
4. clues MUST be historical (buzz them if they break this rule)
5. Can't say, "we just did this one..." etc.
6. After 3 passes, each additional pass is -1 pt.
7. Each "buzz" is -1 pt.
8. saying any PART, of ANY word on the card is a "buzz".
